2011 DSC Cruising and Racing Program

1. Introduction

The Dixie Sailing Club maintains a yearly schedule of club races, special races such as long distance races, regattas, cruising activities, and special events. Our racing program provides a means for sailors to sharpen their sailing skills, enjoy a competitive environment while sailing, and to build camaraderie between the club members. There is an overall Handicap Fleet based on the Portsmouth Yardstick as well as individual fleets currently consisting of Catalina 22s, Flying Scots, and MC Scows. Our cruising activities are open to all boats and include day cruises, evening cruises, and occasionally overnight cruises.

2. Race Schedule

Club racing will be scheduled on Saturdays of the first, second, and fourth weekends each month. The third weekend will feature Sunday racing. In addition, for any month featuring a 5th Saturday, a special Long Distance Race will be scheduled for that day. Please pay careful attention to the schedule provided as to which day racing will be held and the start times for that weekend.

3. Race Starting Times

Because of the special programs that are being implemented in 2011, the start times differ depending on the weekend of the month, as shown below:

1st weekend – Super Saturday – racing starts at 12:30

2nd weekend – Saturday - racing starts at 10:15

3rd weekend – Sunday - racing starts at 2:00 PM

4th weekend – Saturday – racing starts at 10:15

5th weekend – Saturday – Long Distance Race - 10:15

The Race Committee needs to be there about 9:15 AM on Saturdays that races start at 10:15. Normally it is acceptable

to be there about an hour prior to race start times. To see the details for each weekend refer to Section 11 that follows here, titled “Weekend Formats for the Sailors.”

4. Participation

A minimum of three (3) boats must participate in order to hold a race under the Portsmouth Handicap Rating. Only boats that make a proper start in a race are counted as participating in club races. For fleet races, a minimum of three (3) boats of that type must start that race. If races are cancelled because of a lack of race committee attendants, all racers present will be given credit for one (1) first place finish on the scoring sheet.

5. Race Formats

Races should be comprised of a windward-leeward or triangular course. The Race Committee has the authority to set up races as they deem appropriate.

There is one other race format allowed for special race formats – the long-distance race. This race can take several hours to complete, and will NOT have a formal race committee to run the event, but will be run by those racing based on a skippers’ meeting held before that day’s event.

6. Spring and Fall Series

The year’s schedule is divided into two series; Spring and Fall. Each series will be 16 weekends of racing. The top three (3) finishers in the handicap racing for each series will be awarded trophies by the club. Racers must complete at least 10 races to qualify for a possible award. Finishing position will be based on their best 10 races during each series. The individual fleets are free to establish their own rules for determining a Fleet Champion and for providing awards. These awards are to be given out and the champions recognized at the Commodore’s Banquet following the end of the season. The two series dates are as follows:

Spring Series: March 5th, 2011 – July 9th, 2011
Fall Series: July 17th, 2011 – November 5th, 2011

7. Club Championship

On November 12th 2011, the Club will have a Club Championship “sail-off.” Racers must qualify to be in the “sail-off” by completing at least 10 races in the Spring Series and at least 10 more races in the Fall Series. The capability to qualify for the “sail-off” for people that become club members during the year will be addressed by the Race Policy Committee on a case-by-case basis after the person has joined the club.

8. Open Regattas

DSC will try to recruit a Principal Race Officer (PRO) for all open regattas. This will allow the club racers to participate. Currently we have two open regattas scheduled; the Punchbowl Regatta in March, and the Scotalina TuTu scheduled in late October. Refer to the racing and activity schedule for exact dates.

9. Cruising Activities

DSC will schedule cruising activities during the year, and they will be announced on the DSC web site and in the *Doings* when the schedule has been determined.

10. Intro to sailing

The annual Intro to Sailing (ITS) is a great opportunity for us to promote the club and recruit new members. The ITS is planned for June 11th, 2011.

11. Weekend Formats for the Sailors

The format for the weekends this year will vary depending on the weekend of the month.

For all first Saturdays that don't already have some special event scheduled, (check the calendar!) the club will have a

“Super Saturday.” That day will begin at 10:30 with a free Sailors’ Brunch provided by the club, followed by racing starting at 12:30, concluding with Happy Hour about 4:00 and Pot Luck Dinner about 5:00. In addition, the race results for the day will be used as a club regatta for the day, with three prizes awarded during Happy Hour. First place winner for the day will get first prize. The other two prizes will be drawn from the other sailors who raced that day. The catch to getting your prize is that you have to be there or it will be given to some other racer that is there!

1st Saturdays - Super Saturday

10:30 – 11:30 Sailors’ Brunch
11:30 – 12:30 Launch boats, proceed to the race course
12:30 – until --- Handicap Racing
4:00 – Happy Hour and Prizes
5:00 – until ---- Pot Luck Dinner & fellowship at the club

2nd and 4th Saturdays

9:00 – 10:00 RC sets up the course, racers launch boats
10:15 – until ---- Handicap Racing

3rd weekend Sundays

1:00 – 2:00 RC sets up the course, racers launch boats
2:00 – until ---- Handicap Racing

12. The New Weekday Program

Club members over the past year have started to go to the club during the week on different days in the morning to go sailing. In an effort to make that into maybe a new program for the members, this year, twice a month on Tuesday morning there will be Tuesday Time – a time for those that can get there to just come and go sailing together and enjoy the fellowship of sailing together. Check the monthly calendar in this roster to see when it is scheduled this coming year. Those sailing on Tuesday will get together by phone or e-mail to set up the daily sail.

BYLAWS OF DIXIE SAILING CLUB, INCORPORATED AS AMENDED THROUGH SEPTEMBER 25, 2010

ARTICLE I: MEMBERSHIP:

Section 1.

Membership in Dixie Sailing Club, Incorporated, (the "Club") shall be open to individuals interested in sailing; provided, however, that at all times at least 75 percent of the Regular membership shall be owners of sailboats. Members shall be classed as Regular, Associate, Senior Associate, Honorary, Collegiate, Summer, and Military. All members shall be elected as provided in Section 2 of this Article I.

A. Only Regular members shall vote or hold office. Regular members may be limited to a maximum number from time to time established by the Board of Directors, with two permitted numerical exceptions:

(a) Associate members returning to the resident area of the Club; and (b) children of Regular members reaching the age of 21 who wish to become Regular members. A candidate not qualifying under one of these exceptions will be placed on a waiting list and the application acted upon when a vacancy exists. Each Regular member shall, unless excused by the Board of Directors for health or like compelling reasons, participate in Club work and maintenance programs and serve race committee duty when and as assigned.

B. Associate members shall be former Regular members who reside more than one hundred (100) air miles from the Club clubhouse at Lake Martin, Alabama; provided, however, any associate member as of September 15, 1975 shall upon such date become an Associate member.

C. Senior Associate. On written election of a regular member age 65 or older who has been a regular member for ten or more years. An individual electing this status is not entitled to own a cabin in the cabin colony or to store a boat in or on club facilities. Nor is such a member entitled to vote with respect to

any matter. A senior associate may transfer back to a regular membership status upon written request and paying regular dues. The dues for a senior associate membership shall be those approved by the general membership under Article II, Sec. 1 of the By-Laws.

D. Honorary members shall be those persons elected such class of membership by the Club Board of Directors in recognition of special service to the Club or for other reasons determined by the Board of Directors.

E. Collegiate members shall be persons elected to membership who shall have attained the age of 18, but who have not yet attained the age of 25, and who are students in institutions of higher learning not yet customarily gainfully employed. The number of collegiate memberships may be limited by the Board of Directors.

F. Summer membership is open only to individuals who:

- (1) are home owners at Lake Martin; and
- (2) are members of Lake Martin Recreational Association; and
- (3) own a sailboat at time of application.

This category of membership provides all of the privileges of the Club except: keeping a boat at the Club and/or owning a cabin in the cabin colony. The duration of a summer membership is from June 1st through Labor Day each year. The entrance fee for a summer membership is one fourth of the regular membership entrance fee and the dues are one fourth of the regular annual dues. Summer members are nonvoting members. The status may be changed to a regular membership at any time by a request in writing to the Board of Directors and payment of the balance of the entrance fee in effect at the time of such request.

G. Military membership is available to anyone who is an active-duty member of the military on full-time status. A military membership carries the same privileges as a regular membership. The dues are the same as regular dues but the entrance fee is one-half of the regular membership entrance fee.

Members' spouses and children under 21 years of age shall be entitled and encouraged to use Club facilities and participate in Club activities, including meetings of the members. Persons whose family privileges are terminated by age shall, upon applying for membership, be given preferential treatment as spelled out in Section 1A. Children reaching the age of 21 shall have the option of applying for a collegiate membership, if they meet the requirements for this type of membership, or for regular membership. Failure to apply to the Board of Directors in writing for either of these options within 90 days after reaching age 21 will result in the forfeiture of preferential treatment.

Section 2.

Application for any class of membership shall be made in the manner prescribed by the Board of Directors. The membership application shall contain an agreement to abide by the by-laws and rules of the Club. If approved by the Board of Directors, the applicant shall then become a member upon payment of the required dues and initiation fees.

Section 3.

All resignations must be in writing and addressed to the Board of Directors. No member may resign in good standing until all financial obligations to the Club have been satisfied. Resignations are effective from the first day of the month following receipt.

Section 4.

Membership in the Club shall be terminated for non-payment of dues as provided in Article II, Section 2. Termination of membership shall not release the member from the obligation to pay all sums owing to the end of the period of membership. Membership may also be terminated for any reason whatever by a three-quarters vote of all members voting at any meeting of the members.

Section 5.

Upon the death of a Regular member, the Club shall transfer his or her membership into the spouse's name and the spouse shall become a Regular member subject to all rights, privileges and obligations of same. Dues and fees shall be waived for 90 days from the death of the Regular member, during which

time the spouse may continue to enjoy all rights, privileges and other obligations of a Regular member.

Section 6.

All boats stored by members must be registered in member's name and have a registration for the state that they reside in. This includes boats stored in either the boat yard or at a mooring. Short-term exceptions may be allowed on a case-by-case basis, but must be approved by the Board of Directors.

ARTICLE II: DUES AND OTHER CHARGES:

Section 1.

The specific amount of dues, assessments, fines or penalties, and initiation fees of each class of members shall be determined at any meeting of the members, upon 30 days' notice of such purpose; provided that

- A. The initiation fee for a child of a Regular member reaching age 21 who wishes to become a Regular member shall be one-half (50%) of the initiation fee for a Regular membership;
- B. The initiation fee for a Collegiate member shall be one-fourth (25%) of the initiation fee for a Regular membership.
- C. Collegiate members upgrading to Regular membership shall pay one-fourth (25%) of the initiation fee for Regular membership.

Section 2.

A member failing to pay his dues, bills, or assessments within 90 days of the due date shall be considered delinquent and subject to a fine of 10% and shall be suspended from all rights and privileges of membership pending payment. A member failing to pay such within 180 days of the due date shall cease to be a member of the Club and shall be notified of membership termination.

Section 3.

The Board of Directors may determine the schedule of payments and rebate, if any, of the initiation fees to military or transient members residing in the area for less than one year.

ARTICLE III: MEETINGS:

Section 1.

The regular annual meeting of the members of the club shall be in November of each year at a time and location to be announced by the Board of Directors.

Section 2.

Quarterly meetings of the members may be held at a time and location as specified by the Board of Directors.

Section 3.
